MESSAGE FROM THE FINA PRESIDENT

It is my great pleasure to bring to you the **FINA Men's Water Polo World League 2020**, which will be played from November 12 (start of the European qualification rounds) until July 2021 when the FINA Men's Water Polo World League Super Final has been postponed to due to the COVID-19 pandemic (from *June 26-July 2, city tbc*).

The 2202 edition of the World League is highlighted by the participation of 12 European teams:

GROUP A: Greece, Italy, Georgia

GROUP B: Hungary, Russia, France

GROUP C: The Netherlands, Serbia, Croatia

GROUP D: Montenegro, Ukraine, Spain

The preliminary matches for Europe will run from November 12, through April 13, 2021 (*again the end of the European round had to be postponed due to the pandemic*).

From April 26 to May 2, 2021, the Intercontinental Cup for Africa, the Americas, Asia and Oceania will take place (*city tbc*). The Men's Super Final 2020 will now take place from June 26 to July 2, 2021.

The coexistence of powerhouses in the sport with emerging nations that are fighting hard to develop the sport in their territory reinforces one of FINA's goals over the last years: to attract a new and larger public and to ensure a wider TV audience for this thrilling sport, which also happens to be the oldest team sport on the Olympic programme.

I take this opportunity to express my gratitude for the continuous support and the professionalism to the Organisers, National Federations, athletes, coaches and officials participating in the 2020 edition of the **FINA Men's Water Polo World League**. The support of the sponsors, media representatives and spectators is also essential in promoting Water Polo worldwide.

I wish the participating teams all the luck and the best to win.

President Dr. Julio C. Maglione

COMPETITION SYSTEM

The following points will be awarded per match to each team:

Match won:	3 points
Match won by penalty:	2 points
Match lost by penalty:	1 point
Match lost or forfeited:	0 point

In the case of a tie in Preliminaries, Semi Finals and Final Games:

- In all the matches there will be a winner.

If two (2) teams shall have equal points following the Preliminary Rounds, a further classification shall be established as follows:

- For the purpose of calculating either goal difference or goals scored, the goals in any penalty shoot-out will not be taken into consideration.

Forfeited Games

If a team declares a forfeit or is disqualified for one (1) or more matches, the match or matches shall be awarded to the opponent with a goal score 5 - 0.
