Mission:
To honor FINA colleague and friend, Dennis Miller (FIJ), for his contribution to FINA development, particularly in open water swimming.

Period:
2019 – 2029

Goal:
To give this prize – one per year – to an outstanding organizer in open water events.

The organizer can be an organization, person or group of persons. It must be a person or organization which has contributed to open water events for many years, thus developing and promoting open water/marathon swimming in a specific region, country, continent or around the world.

Decision-making process
To be decided by the FINA Executive, in the period November – December.

FINA TOWSC will make a proposal each year, to be sent to the FINA Awards Committee, which finalize the proposal and lead it through to the FINA Executive.

Ceremony
To hand over with the occasion of the FINA Gala in December. If not possible, the ceremony to take place at an open water event in the beginning of the year following on the year for which the prize has been awarded.

To be awarded by the FINA President or the person delegated by him

The prize itself
To be created by an artist from Oceania reflecting the culture of open water and Oceania.
