Explanation:

1. The "A" standards for the 2022 Worlds were created by using the faster of two times from:

- The 2019 "A" qualifying time standard; and
- The 16th place time from the 2019 World Championships

For this meet, the standards broke down as follows:

Women: 10 of the 2022 "A" time standards were the 2019 "A" time standard, and 7 of the 2022 "A" time standards were the 16th place time from the 2019 Worlds.

Men: 5 of the 2022 "A" time standards were the 2019 "A" time standard, and 12 of the 2022 "A" time standards were the 16th place time from the 2019 Worlds.

2. All "B" time standards were derived by multiplying the "A" time standard by 3.5%.

ACCREDITATION

The quotas of Team Officials (coaches, team leaders, medical staff, support staff, etc.) allowed by discipline are on pgs 30-31. Participating National Federations must comply with the quotas, as in principle, FINA will not allow any extra officials. Only exceptional and motivated requests for additional Officials will be considered and reviewed by FINA for approval. In this case, a fee of 150 USD will be charged for each additional accreditation duly approved.

Individuals registered under the "Team Official" category can only select one discipline. The discipline that is selected will then include this person inside the Team Official quota for that particular discipline. For individuals involved in more than one discipline, the discipline that they will be most associated with during the Championships shall be selected upon registration.

Only persons aged of 18 or older as of the first day of the FINA World Championships are allowed to be accredited as Team Official.

Concerning NF Representatives, the President and the General Secretary, officially recognised by FINA, will be entitled to free accreditation. (This cannot be transferred to any other person)

Any other individual registered under the NF Representative category will be charged a fee of USD 150.- for their accreditation. NF Representatives are NOT included in Team Official quotas and are restricted according to the quotas below.

The following quotas apply to the NF Representatives registered in addition to the President and General Secretary:

NF Representatives	
No. of Competitors	Maximum Number of NF Representatives outside of President & General Secretary
1-2 competitors	1
3-4 competitors	2
5-10 competitors	3
11-30 competitors	4
31-50 competitors	5
51-70 competitors	6
71-90 competitors	7
More than 90 competitors	9

FINA has final approval for all additional Team Official and NF Representative Accreditation requests that have been registered through the FINA GMS by the registration deadline of 17th May 2022.

Quotas are not transferable from one discipline to another, or from one category to another.

VENUE ACCESS:

Athletes will have access to all training venues and the competition venues where they are competing. For all other competition venues, Athletes will be granted access to the Team Seating Area only.

Team Officials and NF Representatives

Individuals registered in these categories will have access to all competition and training venues.

Important note: each person must be registered under the function and role she/he will be fulfilling during the FINA World Championships. If an individual will perform multiple functions, only the most senior position or the one granting the more fitting privileges (as required by the tasks the person will need to perform at the event) shall be selected upon registration.

E.g.: if a NF Representative Board Member is also the Coach of the OW Team, this person should be registered as a "Team Official" and "Coach" in order to have the correct accesses to fulfil her/his duties at the event.

The NF is entirely responsible for registering the participants with their correct functions and roles, so that the correct accreditations will be issued. No accreditations will be changed or re-printed during the event.

LOSS OF ACCREDITATION BADGE:

If your accreditation badge is lost, it must be reported immediately to the nearest security personnel from the Organising Committee. A penalty fee may be charged for the reproduction of lost accreditation badges.

Any Athlete who has not met this requirement will not be eligible to compete in the FINA World Championships.
