DUTIES AND RESPONSIBILITIES OF
SINGAPORE NATIONAL DIVING DEVELOPMENT COACH

JOB DESCRIPTION

A. PRIMARY JOB PURPOSE
Report to the Diving National Head Coach, Sport Director, and Vice President (Diving). To ensure, that within the guidelines and constraints determined by Singapore Swimming Association (SSA), the National Diving Development Coach is responsible for the development and coaching of the athletes in the national talent and development programmes.

B. JOB RESPONSIBILITIES

1. Technical Responsibilities
   • Work closely with the Diving National Head Coach and Sport Director to identify talent, as well as develop and implement training and competition plans for the national diving development squads.
   • Assist the Diving National Head Coach to conduct coaching courses and mentor club coaches at the participation and developmental level.

2. Reports
   • Provide coach reports for overseas trips.
   • Provide regular monitoring and assessment updates on individual diver’s performance.
   • Provide written individualised annual training and development plans.

C. JOB HOLDER REQUIREMENTS

Experience
   • Possess relevant diving coaching certifications. Must be qualified in all aspects of dryland and water overhead spotting harness and hand assisted spotting.
   • Experienced in coaching divers successfully at major national meets at the junior and age-group levels of 11-18 years old. Have minimum 5 years of coaching experience.

Personal Attributes
   • Has the interpersonal and management skills to work closely with team/staff members where relevant.
   • Works effectively with people and shows respect and sensitivity to their needs.
   • Demonstrates a logical approach in weighing up issues and coming to a decision.
   • Demonstrates strong written and verbal communication skills and able to provide reports when required.
   • Demonstrates ability to handle crisis situations.
   • Shows enthusiasm and preparedness to put athlete performance before personal considerations.
   • Available to attend all pre-competition meetings, training camps and meets if required.
   • Ability to work on weekends.
• Ability to travel overseas.
• Ability to speak English is an advantage.
