## TENERIFE ISLAND

### Tenerife: Holiday destination

Why Tenerife makes so many travelers fall in love? Its weather, nature and landscapes, from the lush laurisilva forest to long beaches; the Teide National Park, world heritage and the most valuable sample of its volcanic origin are some of its great attractions. This adds a good leisure offer for the whole family, a so attractive old town, original traditions and a rich and unique gastronomy.

Despite Tenerife is a destination that adapts to the new travelers taste, also offers lots of modern and innovative leisure: beach clubs, roof top bars, shows and top concerts... Moreover, it is a destination completely committed to sustainability, and that is why corroborates its certification as Biosphere Destination.

Over the past few years, the island had increased its value as a place to combine holiday stay with the practice of sports and outdoor activities as well.
