PRESIDENT'S MESSAGE

World Aquatics Diving World Cup 2023

It gives me great pleasure to welcome the world's best divers and their respective National Federations to the World Aquatics Diving World Cup 2023.

This year's World Cup series will see world class divers compete at three different tour stops: 14-16 April in Xi'an (CHN), 5-7 May in Montreal (CAN) and 4-6 August in Berlin (GER).

With the season starting in the diving hotbed of Xi'an in a country that has held seven previous World Cups, I couldn't think of a better place to open the international diving calendar. With Montreal fresh off hosting last year's World Junior Diving Championships and using the pool from the Montreal 1976 Olympics, the tour's momentum will build to the culminating diving series event with the Super Final in the German capital of Berlin where we concluded last year's Diving World Cup season as well.

With three trust hosts across three continents that have a passion for diving, the stage is set for our athletes to excel.

With a spirit of innovation and collaboration within our community, the World Aquatics Diving World Cup presents a new competition format that provides additional opportunities for athletes to compete on diving's top international stage annually. By taking this holistic review of our sport we are bringing maximum benefit to athletes, fans and event hosts alike.

Reserved for the world's best divers, these prestigious events will see more than 150 divers from over 30 countries compete in one of World Aquatics' most thrilling sports.

I have no doubt that these fantastic host cities will provide our athletes and spectators with great entertainment and hospitality. And thanks to the support of the Local Organising Committees, local authorities, volunteers and international media, the World Aquatics Diving World Cup will represent another milestone in the history of this spectacular competition.

I would like to take this opportunity to express my sincere thanks to the host cities and sponsors for hosting what is set to be a captivating series. To all the athletes competing, I wish you the best of luck!

04 TRAVEL INFORMATION

AIRPORT

All arrivals and departures must be done to and from **Montreal-Trudeau International Airport (YUL)**. The LOC will have an information booth in the international terminal. Please see Diving Canada's staff at the desk when arriving in Montréal.

Please be reminded that transportation from the airport will only be coordinated if the flight information is entered correctly and on time in the GMS **by April 5th.**

VISA and eTA PROCESS

Citizens of certain countries and territories need a visa or an eTA to visit or transit Canada.

Note. If you hold a passport other than Canadian or you are stateless, you need a visa to visit or transit in Canada.

Canada has introduced a requirement for countries that previously did not require a visa to enter Canada. An Electronic Travel Authorization (eTA) is an entry requirement for visa-exempt foreign nationals travelling to Canada by air.

An eTA is electronically linked to a traveller's passport. It is valid for up to five years or until the passport expires, whichever comes first.

To find out if you need a visa or eTA please search this page:

<http://www.cic.gc.ca/english/visit/visas.asp>

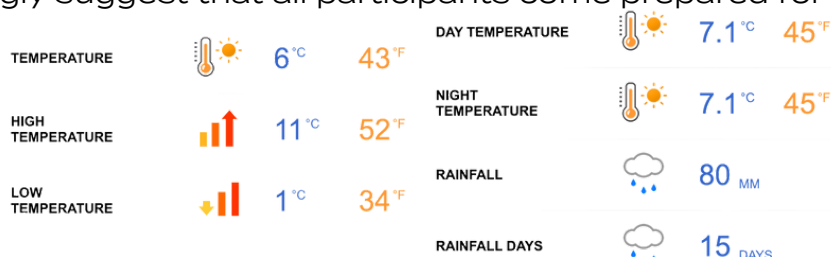

Upon request sent to worldcup@diving.ca, the LOC will provide visa assistance by issuing an invitation letter. Please note that in the current context, we expect that issuing visas will take much longer than in the past and we urge you to begin this process as early as possible to avoid possible travel problems due to delays.

We, therefore, invite you to get in touch with us as soon as possible. Contact worldcup@diving.ca if you require assistance with visas.

WEATHER IN MONTRÉAL IN MAY

The temperature in Montreal in April and May can be **CHILLY**. We strongly suggest that all participants come prepared for :

Please visit the following website for an accurate weather forecast prior to your arrival https://weather.gc.ca/city/pages/qc-147_metric_e.html

COVID-19 PROTOCOLS & TESTING

As of October 1st, 2022, all travelers, regardless of citizenship, will no longer need to submit public health information through the ArriveCAN app or website. Providing proof of vaccination will also no longer be required to enter Canada.

As it is each traveler's responsibility to understand Canada's entry rules, Diving Canada encourages you to fully read the revised guidelines at the links below:

- [September 26th - Government of Canada to remove COVID-19 border and travel measures effective October 1](#)
- [Government of Canada - Travel advice and advisories by destination](#)

If you require any additional information, please feel free to contact the LOC by e-mail at worldcup@diving.ca.

05 PARTICIPATION

The competition is open to all AQUA Member Federations with the following conditions:

- Up to 2 entries per National Federation for the Individual Events
- Up to 1 team per National Federation for the Synchronised and Team Events
- Divers competing in the Team Event have to be already registered for either the Individual or Synchronised Events
- To participate, individual divers have to meet the minimum point standards set by World Aquatics at a previous identified event. For the Synchronised Events, the standards need to be achieved as the nation. The identified events are as follows for the DWC 2023:

1. Olympic Games Tokyo 2020
2. FINA World Championships Budapest 2022
3. FINA Diving World Cup Berlin 2022
4. Commonwealth Games Birmingham 2022
