1. PRESIDENT'S MESSAGE

It is with great pleasure that I welcome the world's best open water swimmers and their respective National Federations to the World Aquatics Open Water Swimming World Cup 2023.

This year we get to see the class of open water athletes compete across five events: 8-9 May, Somabay (EGY); 20-21 May, Golfo Aranci (ITA); 27-28 May, Setubal (POR); 5-6 August, Paris (FRA); 1-2 December, Eilat (ISR).

Since the first annual international open water swimming series in 2007, the events have proven to be an important event tour on the aquatics calendar. Over the years, we have routinely seen incredible performances and competitive races on the world stage. With established champions raising their level while new talents emerge on the global stage, the quality of the competition has never been higher.

Reserved for the best open water swimmers in the world, this prestigious event series in 2023 will see more than 300 athletes from over 50 countries compete in one of World Aquatics' most demanding and exciting competitions.

I have no doubt that our fantastic host cities will provide our athletes and spectators with great entertainment and hospitality. And thanks to the support of the Local Organising Committees, local authorities, volunteers and international media, the World Aquatics World Cup 2023 will represent another milestone in the history of this spectacular competition.

I would like to take this opportunity to express my sincere thanks to the host cities and sponsors for hosting what is set to be a captivating series. To all the athletes competing, I wish you the best of luck!

Captain Husain Al-Musallam
World Aquatics President

2. PRESIDENT'S FIN REGIONAL COMMITTEE OF SARDINIA MESSAGE

On behalf of the Italian Swimming Federation, we would like to welcome the Open Water National Teams that will participate in Leg 2 of the Open Water swimming World Cup.

Italy and Sardinia are very glad to organise Leg 2 of the World Cup.

The Open Water sport continues to grow, both in terms of participation and level.

After the 2022 European Championships, a further prestigious event allocated to Italy will be able to attract spectators and fans of Open Water Swimming in our Country.

Sardinia is traditionally a welcoming and hospitable land, and its waters are world-famous for their clarity, a natural swimming pool.

We would like to thank World Aquatics for accepting our candidature and the organising company Aquatics Team Freedom for making its organisational structure and staff available for the staging of the event.

Danilo Russu
President FIN Regional Committee of Sardinia

3. VICE-PRESIDENT'S SARDINIA REGION MESSAGE

The Autonomous Region of Sardinia is proud to host the second leg of the World Aquatics Open Water Swimming World Cup 2023.

Golfo Aranci, Sardinia, represents one of the ideal venues for this type of competition due to both the characteristics of its gulf and its crystal-clear waters. The suggestion of the landscape, combined with the usability of the places and spaces from a sporting point of view, we are sure can be the key to the success of an event that we host with enthusiasm and pride. The beauty of our land, the hospitality, the sporting spirit of the Sardinian people and the organizational experience of the Italian Swimming Federation will ensure the success of the event.

Sardinia is land and sea, an extraordinary mix of beauty perfectly combined and balanced between the picturesque inland areas and the splendor of the coasts. The ancient history of our island speaks of expert navigators and exchanges between cultures that took place from and through the sea.

Sports, especially water sports, are for Sardinians an invaluable element, an engine of growth, an ally and a tool for an increasingly sustainable development marked by respect for and protection of the environment. This is also why on the occasion of this extraordinary sporting event, on behalf of the Region, I thank World Aquatics for accepting the candidacy of the Italian Swimming Federation in cooperation with Aquatic Team Freedom for its organizational contribution.

Giuseppe Fasolino
Vice President of the Region of Sardinia
Councillor for Planning, Budget, Credit and Land Use

4. INTRODUCTION

The Italian Swimming Federation has the honour and pleasure to invite you to the World Aquatics Open Water Swimming World Cup 2023, in Golfo Aranci – Sardinia (ITA).

Our organisation is glad to welcome this year all Open Water Swimming World Cup 2023 athletes. Golfo Aranci is proud to offer this beautiful event to the population of Sardinia and is also honoured to be the second stop of 2023 Open Water Swimming World Cup and first one in Europe, marking also the first time Italy has hosted a World Aquatics open water event.

The following information has been prepared to assist your National Federation in its decision to attend this event.

10. PARTICIPANTS

Entries will be accepted only from National World Aquatics Member Federations which must also register a coach for each respective swimmer. A coach can be responsible for up to two (2) swimmers only. The coach is responsible for representing his/her swimmers at the Technical Meeting and feeding the swimmer during the event. The World Aquatics Technical Delegate together with the Chief Referee will accept entries and register only swimmers accompanied by the respective coach who is in charge of swimmer recognition during the race. A swimmer without a coach present will not be allowed to start the race. Each National Federation that has entered one or more swimmers in an Event must also have at least one representative (e.g., team leader, coach) present.

11. ENTRY PROCESS

Registration: All National Federation registrations and sport entries must be done through the World Aquatics General Management System (GMS) via <https://data.worldaquatics.org> Each National Federation must complete their registrations before the designated deadlines.

Should you have any questions regarding the registration process or the GMS, please contact ignasi.vendrell@worldaquatics.com

12. TECHNICAL & TEAM LEADERS MEETING

The Technical & Team Leaders Meeting (TLM) will take place on **May 19th at 17.00h** at the Marana Hotel.

At least one representative from each National Federation must attend this meeting.

13. VENUE & COURSE INFORMATION

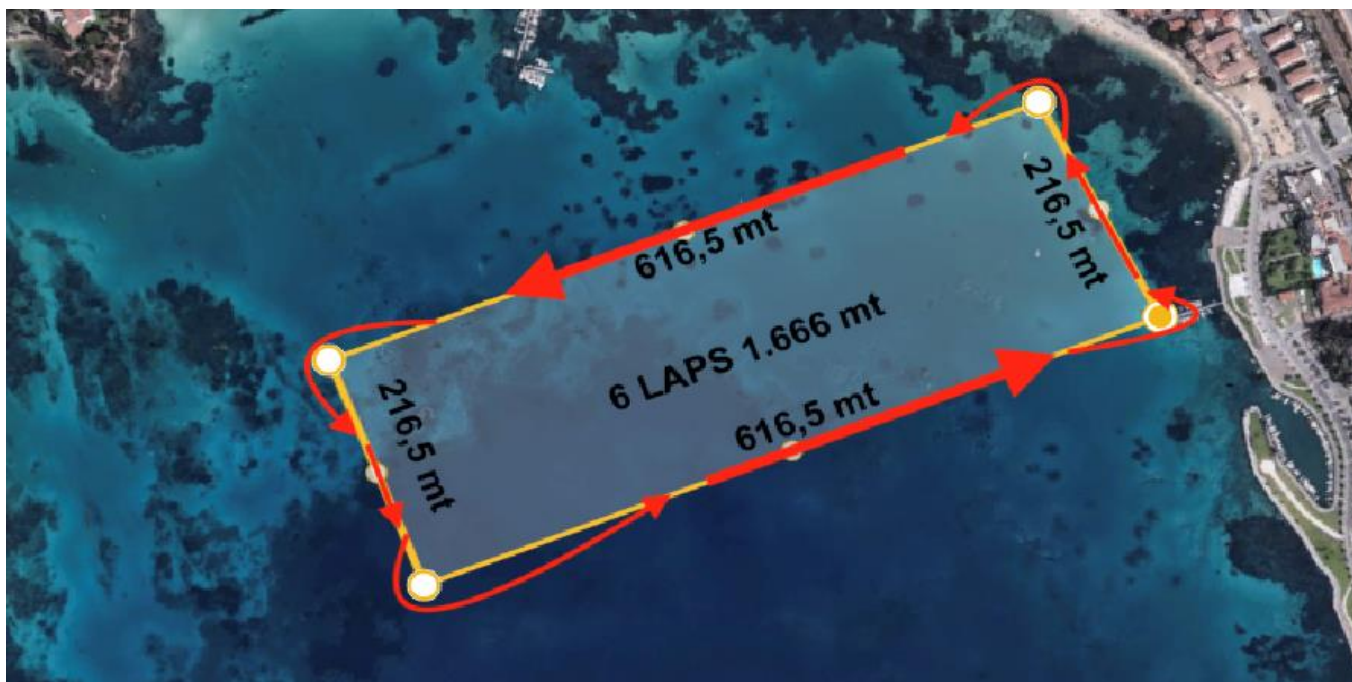

The competition will start from the beach of Golfo Aranci.

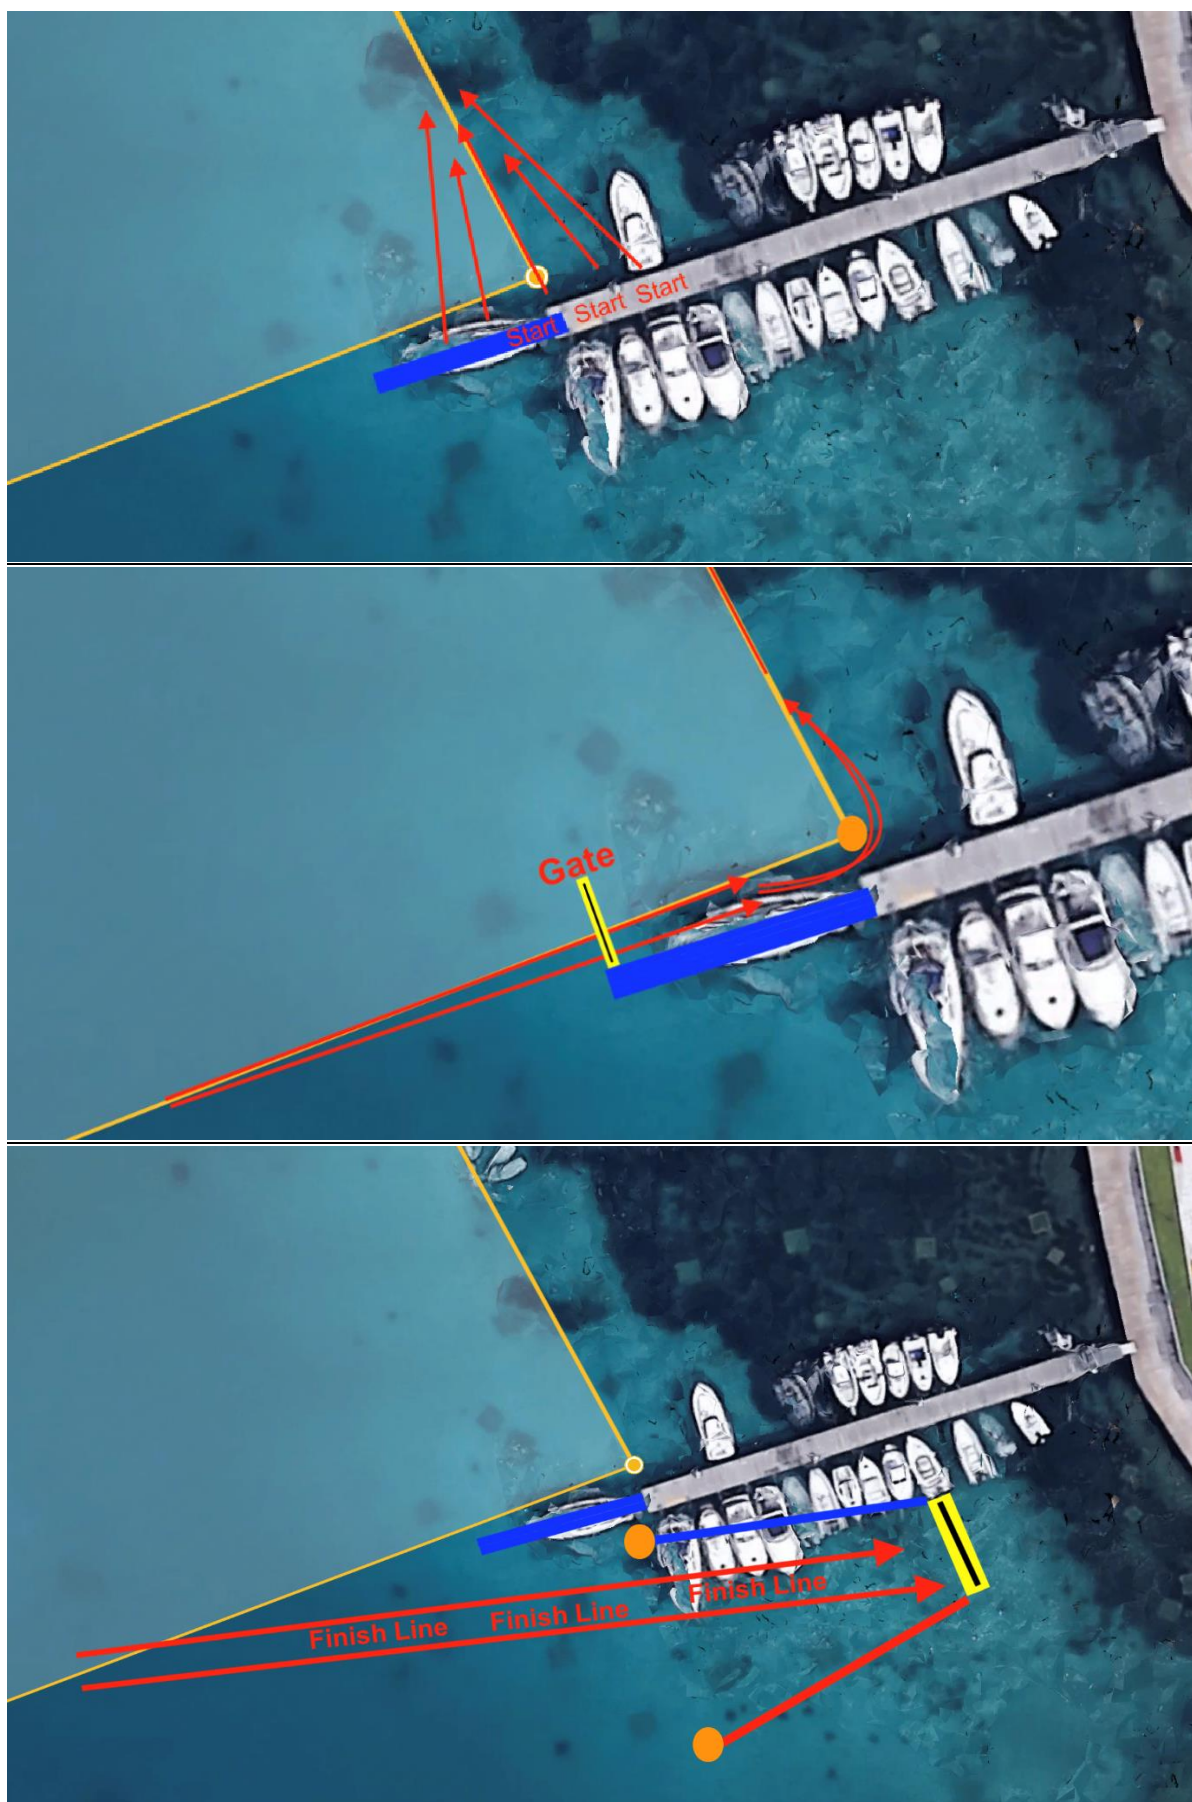

The **10km** event will be organised on a **1,666m** course. Swimmers will have to complete **6 laps**. Please see course layout on the following pages.

For the **4x1500 Mixed Team Relay**, the course will be the same shape, but only a **1500m course**.

Sprint Laps: Laps considered for the Sprint Ranking will be laps **1,3** and **5**

Course Layout:

Venue Layout:

14. RULES

Please note that all the events in the World Cup will be conducted according to latest World Aquatics Competition Regulations, in force at the time event.

World Aquatics Competition Regulations can be found [here](#)

15. ACCREDITATIONS & EVENT INFORMATION DESK

The Organizing Committee will provide all Swimmers and Team Staff with an official Accreditation card. Only accredited people will be allowed to access certain venue areas. All accredited people are requested to always carry their Accreditation Cards with them and to show them upon request.

Where to collect

Accreditation can be collected in both official hotels.

Team managers will be required to present photographic identification for all team members.

16. POINT SYSTEM & PRIZE MONEY

Point system and prize money distribution is explained within the 2023 Rules & Regulations
