WORLD AQUATICS HIGH DIVING WORLD CUP

FORT LAUDERDALE 2023

26-27 MAY 2023

FORT LAUDERDALE AQUATIC CENTER
501 Seabreeze Boulevard, Fort Lauderdale, FL, USA, 33316

PRESIDENT'S MESSAGE

World Aquatics High Diving World Cup 2023

It gives me great pleasure to welcome the world's best high divers and their respective National Federations to the World Aquatics High Diving World Cup set to take place in Fort Lauderdale (USA) from 26-27 May 2023.

The event will see the world's best high divers compete in the state-of-the-art Fort Lauderdale Aquatic Centre following its impressive renovation. With its oceanside setting on the southeastern Florida coast, having hosted thousands of aquatics events in its 95-year history, and the only facility in the western hemisphere with 20m and 27m high diving towers, I couldn't think of a better place to showcase our athletes in the major high diving event before the World Aquatics Championships – Fukuoka 2023.

I have no doubt that this world-class venue and beautiful location will provide the ideal environment for our high divers to perform at their peak. Since the first High Diving World Cup in 2014, the competition has brought together the best international high divers and cemented itself as an important global competition on the aquatics calendar. We have seen incredible performances as athletes execute ever-higher degree of difficulty dives, which I am sure will continue this year.

Open to all national federations with more high divers than ever before, this event will play an important role in athlete qualification for this year's upcoming World Aquatics Championships.

I am sure that Fort Lauderdale will provide our athletes and spectators with a 'perfect 10' when it comes to great entertainment and hospitality. And thanks to the support of the Local Organising Committee, local authorities, volunteers and international media, the World Aquatics High Diving World Cup 2023 will represent another wave of success for this spectacular competition.

I would like to take this opportunity to express my sincere thanks to the host city and sponsors for hosting what is set to be a captivating event. To all the athletes competing, I wish you the best of luck!

Captain Husain Al-Musallam
World Aquatics President

1 GENERAL INFORMATION

USA Diving and World Aquatics are pleased to invite you to the 2023 World Aquatics High Dive World Cup, to be held 26-27 May 2023 in Fort Lauderdale, Florida, United States of America. We look forward to welcoming you to the sunny, beachside Fort Lauderdale Aquatic Center.

ARRIVALS AND TRANSPORTATION

WEATHER IN FT. LAUDERDALE IN LATE MAY

Weather in Fort Lauderdale in late May is generally sunny and temperate, with an average temperature of 80°F (27°C).

Please plan accordingly for lots of sun and sporadic storms.

AIRPORT TRANSPORTATION

Transportation from Fort Lauderdale-Hollywood International Airport (FLL) to the HQ Hotel (Courtyard by Marriott Fort Lauderdale Beach) will be provided for arrival and departure to all federations who have booked their accommodations with the LOC and entered their flight details in the GMS.

Upon arrival to FLL, please head to baggage claim and look for an LOC member in a "USA Diving" shirt.

PLEASE KEEP IN MIND: The LOC will NOT arrange pick-ups/drop-offs for participants who have made their own accommodations.

For flight changes, please contact Olivia Rosendahl (+1 (323)620-8067, oliviar@usadiving.org).

WELCOME AND ACCREDITATION

Upon arrival to Fort Lauderdale, participants will be greeted by a USA Diving team member. Accreditations and welcome information will be distributed on arrival to the hotel if staying in the HQ Hotel.

If staying in alternate accommodations, participants **MUST** come to see an LOC team member at the Meet Operations Table at the venue and receive their accreditation prior to participating in any practice session on May 24th.

Accreditations will be required at all times in the training facility to pass security checkpoints and access necessary training areas. Accreditations will also indicate eligibility to receive meals, and must be shown in order to eat at both the hotel and at the pool.

As a reminder, meals will not be provided to participants who have opted to arrange their own accommodations.

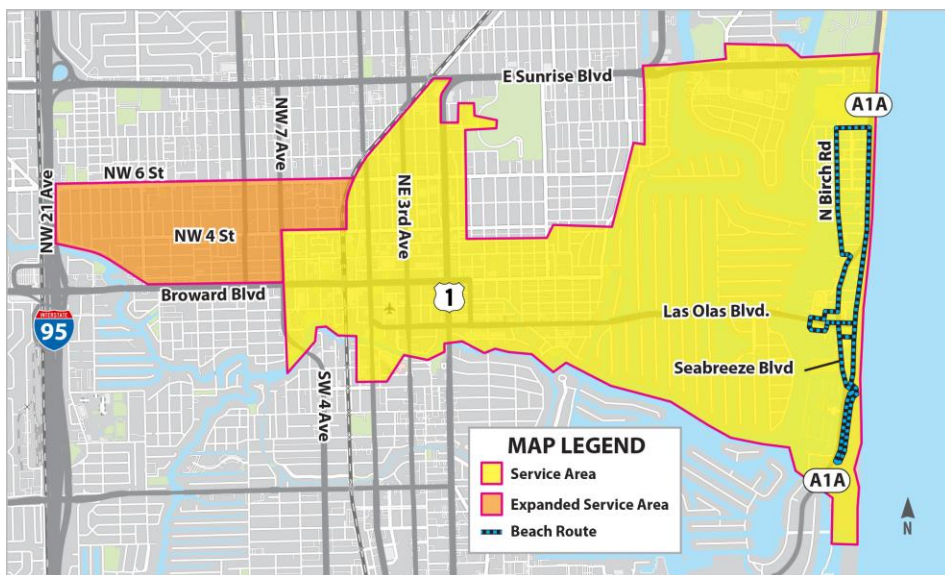

LOCAL TRANSPORTATION

The HQ Hotel is walking distance to the facility (.2km). The pool is visible from the hotel. Participants walk across the street from the hotel to the facility. Please see map below with a blue dotted line outlining the route to the pool.

For additional local transportation, there is a free electric vehicle service that provides transportation at no cost around the Downtown and Beach areas of Fort Lauderdale. To access this service, riders must use the FREE "Ride Circuit" App (available from [Google Play](#) and the [App Store](#)) to alert a driver for a pick-up.

Click [HERE](#) to learn more about the LauderGO! Micro Mover.

5 FOOD SERVICES

Three meals per day will be provided to those eligible for meal service. For each meal, all participants must show their accreditations before getting their food. Please make sure to have your accreditation on you at ALL times.

AT THE HOTEL (Courtyard by Marriott Fort Lauderdale Beach)

	23 MAY	24-25 MAY	26-27 MAY	28 MAY
BREAKFAST	-	7-9	7-9	7-9
LUNCH	-	-	-	-
DINNER	18-20	18-20	17-19	-

AT THE POOL

Boxed lunches available for pick-up at the training facility beginning at 11:30am each day, for four days including May 24-27.

Snacks, water, and beverages will be available for the Coaches, Staff, and Athletes at the pool on competition days in the Hospitality area.

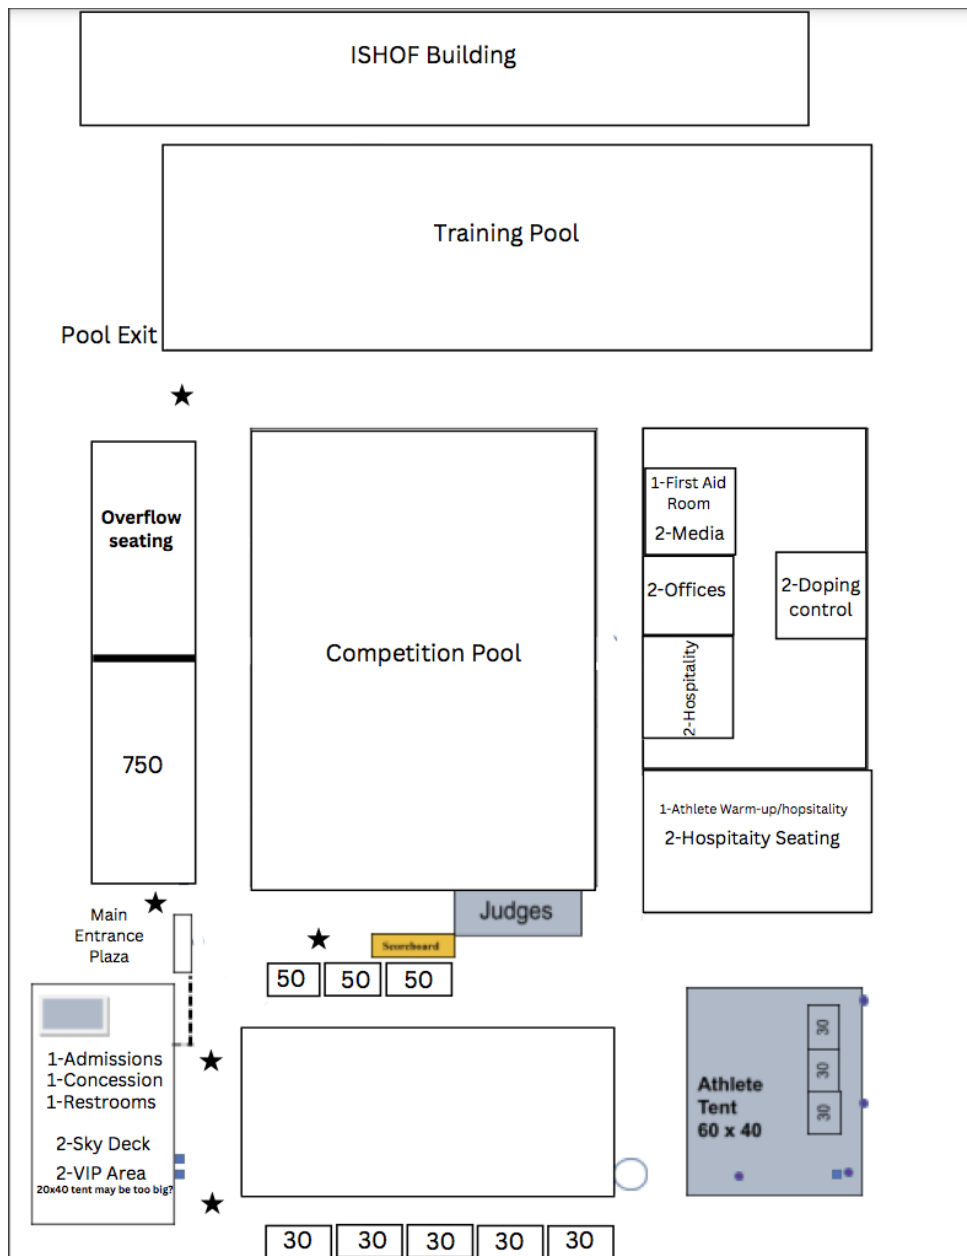

For any questions or concerns regarding food services, please contact Olivia Rosendahl.

6 COMPETITION VENUE

Only divers/coaches who are presently competing will be allowed in the field of play. A dedicated coaching area will be provided for team officials to coach their divers actively.

Divers and coaches not presently competing may remain on the pool deck in the designated seating areas, or in either the Athlete Area or the Athlete Gym. Please respect these assigned areas for smooth competition production.

Please see the following pool layout. Areas will be described and displayed on walk through during the Athlete Site Visit.

7 MEDICAL SERVICES

ENTRY, SANITARY PROTOCOLS AND COVID-19 POLICY

As of May 12th, 2023, all non-U.S. citizen travelers are NO LONGER required to show proof of vaccination upon entry to the United States. Please see the announcement of the updated Order [HERE](#)

Please note, it is each traveler's responsibility to understand the entry guidelines for the United States, and USA Diving recommends reading the updated guidelines and procedures as described by the Department of State and the CDC.

For the most up-to-date guidelines and travel information, please click [HERE](#).

COVID-19 PROTOCOL

All accredited competition participants (including athletes, coaches, staff, and judges) will not be required to take any type of Covid-19 Test prior to arriving in the United States and participating in the 2023 World Aquatics High Diving World Cup.

ON SITE MEDICAL SERVICES

Dr. Jim Miller
World Aquatics Sports Medicine Committee
+1 804 338 3030

PHYSICIAN SUPPORT

Access to a physician will be available on a daily basis beginning May 24th, 2023 through the end of the event.

ATHLETIC TRAINING

Athletic training services will be offered to all participants on deck at the facility during each practice day and each competition day, from the time the pool opens until one hour after the last practice or event conclusion.

LIFEGUARDS, SAFETY DIVERS AND EMS SERVICES

Lifeguards will be on deck during all practice and competition to provide first aid. Lifeguards are our first responders, and responsible for primary response to any emergency, and they will initiate the EMS response plan. Trained safety divers will be in place for all practices designated 20M and above, as well as for the duration of the competition rounds. EMS will be on site. In case of emergency, the EMS will decide which hospital the patient will be transferred to.

NEAREST HOSPITALS

Information for the two nearest emergency rooms can be found below. Please note that the EMS have final decision over where patients will be transported.

Broward Health Medical Center

1600 S. Andrews Ave.
Fort Lauderdale, FL 33316
+1(954)355-4400
