1.4 Slogan, Event Logo, and Mascots

Concept

The Concept of our Event is “WATER MEETS THE FUTURE”.
The Concept expresses the hope that all the participants will meet the future.

**WATER
MEETS
THE
FUTURE**

WATER MEETS THE FUTURE

Water Meets The Future
The future awaits.

**The most innovative and open
Championships ever will create
a new vision for aquatic sports
a new vision of Fukuoka
and show all involved the future.**

Emblem

The Event emblem is a symbol representing a combination of “F” for Fukuoka and an image of aquatic sports, an easy-to-understand pictogram for everyone around the world. The symbol, which depicts human heads and arms to express the energetic movements of the six aquatic sports disciplines, represents a medal ceremony podium to honour the world’s top athletes.
The emblem for the Masters Championships, which is pale orange, has more round-tipped arms and gives a warmer impression.

1.4 Slogan, Event Logo, and Mascots

Mascots

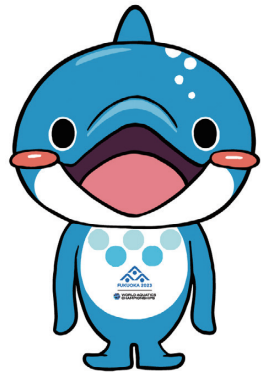

Inspired by Fukuoka’s ocean-front location, dolphins, well known as a popular sea animal, were chosen for the design motif.
The mascots’ human-like characteristics will boost the momentum of the Championships.

●SEALIGHT

Sealight is very confident about swimming much faster than anyone else. He is friendly to everyone, but likes to compete with others and dreams of becoming a big star in the human world as well.

The origin of his name is the combination of the words “Sea” and “Light”.

“Sea” represents Fukuoka’s oceanfront location and “Light” refers to casting a bright light on people’s futures.

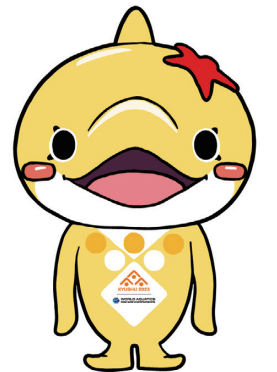

SEALIGHT

●SHIRNEY

Shirney is a bit clumsy, but is a hard worker who makes efforts to overcome challenges. She can make friends with anyone and wants to make even more friends. She dreams of travelling around the world with her friends.

Her name comes from the word “Shine”, and represents a bright future for all the people involved in the Championships.
