PRESIDENT'S MESSAGE
World Aquatics Diving World Cup 2024

Dear friends,

On behalf of the World Aquatics family, it's my pleasure to welcome you to the World Aquatics Diving World Cup 2024.

The 2024 season will see the world's best divers take flight in Montreal, Canada (February 29-March 3), Berlin, Germany (March 21-24), and Xi'an, China (April 19-21) for the Super Final.

Having hosted more than 20 World Aquatics events, including 10 Diving Grand Prix events, the 2022 World Aquatics Junior Diving Championships, and the Diving World Cup in 2023, Montreal's iconic Parc Olympique, diving venue for the 1976 Olympic Games, is the perfect place to open the Diving World Cup 2024 season.

Many of you will now be familiar with the beautiful city of Berlin, our second stop and third consecutive visit for the Diving World Cup series. This year marks the 30th World Aquatics event to be held in the German capital, and we have no doubt that we will further contribute to the city's rich heritage and incredible atmosphere when our wonderful divers arrive.

Following the fantastic crowds and flawless event for the opening of the Diving World Cup 2023 season, we are excited to conclude the 2024 season with a highly anticipated Super Final in Xi'an, China. As a hub for China's international diving team and host of multiple Diving Grand Prix events, it will be the perfect environment to showcase the world's best divers.

Positioned between the World Aquatics Championships in Doha and the Paris 2024 Olympic Games, I know that training and preparation are critical for success at these milestone events. Thanks to the support of the Local Organising Committees, local authorities, officials, and volunteers, I know that you are in very safe hands in all three of these wonderful cities.

Thank you once again to the host cities and sponsors for your continued trust and support for what is set to be a pinnacle year in the history of diving. Finally, I wish all athletes the very best during this series of much-anticipated events.

Captain Husain Al-Musallam

World Aquatics President
