

The World Aquatics Swimming World Cup 2024 series (the "SWC 2024") will touch down in Asia over three consecutive weeks with three days of action-packed 25m short course racing at each series stop this autumn.

The compact cluster of events kicks off in Shanghai (CHN) from 18-20 October before heading to Incheon (KOR) from 24-26 October and Singapore (SGP) from 31 October-2 November.

Programme

Each stop shall be staged over three (3) days with heats in the morning session and all finals in the evening session. Upon closing of the sport entries, depending on the total number of entries, each morning heats session may be split into two sessions with the fastest three (3) heats of each event being swum followed by the remaining heats in the session two. The format of the heats' sessions will be announced during each Technical Meeting.

Where possible, heats will be held using up to ten (10) lanes, Finals will be held using eight (8) lanes and the three-day competition programme shall be as outlined below.

All events will be swum with heats and finals, except the 800m and 1500m Freestyle, and 400m Individual Medley which will be staged as timed finals with the slowest heats(s) during the morning session and the fastest heat during the evening session.

Doping Control

Doping control will be coordinated by International Testing Agency (ITA) during the SWC 2024.

- World Records and World Junior Records

As per the World Aquatics Doping Control Rules, any athlete equalling or breaking a World Record or World Junior Record in Swimming, shall be tested immediately after the race, or at the latest, 24 hours after the race. If not selected for doping control after the race, it is the sole responsibility of the athlete(s) to come to the doping control station to request a test. The cost of this test will be covered by the Local Organising Committee.

- Continental or National Record

Should an athlete equal or break a continental or a national record, it is the sole responsibility of the athlete(s) to check whether the rules of their Continental Organisation(s) or Member(s) require a negative doping control in order to recognise the record. If this is required, the athlete must go to the doping control station to request a doping control test. This test will have to be paid by the athlete or their Member.

Entries

All World Aquatics Member Federations' registration and entries will take place through the World Aquatics General Management System (GMS) via <https://data.worldaquatics.com>. Each Member will access the system to complete their registrations of athletes and officials before the designated deadline for each Stop.

The entry times will only be accepted if they have been completed within the maximum qualifying period of fifteen (15) months prior to the entry deadline. No times outside of this qualifying period will be accepted. For the SWC 2024 edition, times in both 25m-pool and 50m-pool will be accepted.

Technical Meeting

The Technical Meeting will be held on the day before the first day of competition of the Stop, which shall be chaired by the World Aquatics Technical Delegate. This will be the only opportunity for last minute entry changes (any withdrawals, but additional entries only for duly entered members of national teams - no additions for club swimmers). It is mandatory for one representative of each Member Federation to take part in the Technical Meeting. The competitors should be made aware of their responsibilities in attending the SWC 2024 and being represented at the Technical Meeting. Failing to do so will result in a fine of 100 Swiss Francs (World Aquatics Competition Regulations).

- Withdrawals for the first session of heats are due by the close of the Technical Meeting.
- Withdrawals for each subsequent session of heats are due one (1) hour prior to the start of finals the evening before.
- Withdrawals for each session of finals are due not later than thirty (30) minutes upon conclusion of the heats on that day.

Did Not Swim will be fined according to World Aquatics Competition Regulations.

A positive check-in for timed final races should be made not later than the conclusion of the finals session on the day prior to the event in order to avoid open lanes in these events.

Scoring System

The total score that an athlete can earn from an event is the sum of points inversely related to the position in the finals and additional points based on performance. For scoring performance, the valid World Aquatics Points system is used. For the Swimming World Cup 2024, the 2024 Short Course Points System (valid between 1 September 2024 and 31 August 2025) is used.

For every individual event, points are awarded to the finalists:

Position	1st	2nd	3rd	4th	5th	6th	7th	8th
Points	10	8	6	5	4	3	2	1

The following additional points are awarded based on performances in the finals:

Up to	<...	999	989	979	969	959	949	939	929	919	909	899	889	879	869	859
Starting from	<...	990	980	970	960	950	940	930	920	910	900	890	880	870	860	850
Points	<...	9.9	9.8	9.7	9.6	9.5	9.4	9.3	9.2	9.1	9	8.9	8.8	8.7	8.6	8.5
Up to	849	839	829	819	809	799	789	779	769	759	749	739	729	719	709	...>

Points	8.4	8.3	8.2	8.1	8	7.9	7.8	7.7	7.6	7.5	7.4	7.3	7.2	7.1	7	...>

For example, an athlete who placed 2nd with a time of 55.49 in the Women's 100m Butterfly (which totals 924 points) will earn a total score of 17.2, a sum of 8 points for the 2nd place position and 9.2 points based on the performance.

Prize Money

- By Stop

There is no limit to the number of individual events each athlete can compete in per Stop but only the best three (3) results (sum of points for position and performance) are counted in the score for the Stop.

A ranking shall be established per gender at each Swimming World Cup Stop.

Ranking position at Stop	Total	Ranking Position at Stop	Total
1	US\$ 12'000	11	US\$ 4'900
2	US\$ 10'000	12	US\$ 4'800
3	US\$ 8'000	13	US\$ 4'700
4	US\$ 6'000	14	US\$ 4'600
5	US\$ 5'500	15	US\$ 4'500
6	US\$ 5'400	16	US\$ 4'400
7	US\$ 5'300	17	US\$ 4'300

9	US\$ 5'100	19	US\$ 4'100

The scoring and respective ranking is calculated based on the results from all the stops completed by an athlete (with the limit of his/her best three events at each city). Overall Ranking	Total	Overall Ranking	Total
1	US\$ 100'000	5	US\$ 14'000
2	US\$ 70'000	6	US\$ 12'000
3	US\$ 30'000	7	US\$ 11'000
4	US\$ 15'000	8	US\$ 10'000

If there is a tie, the athlete with the higher World Aquatics Points in their best event during the series wins.

- World Records – World Records will receive an additional \$10,000; and
- The Crown(s)

A swimmer winning the same event at all three Stops of the series shall receive additional prize money.
