A. WELCOMING ADDRESSES

PRESIDENT'S MESSAGE World Aquatics Championships – Singapore 2025

I am delighted to welcome you to Singapore for the 22nd edition of the World Aquatics Championships.

Renowned for its vibrant beauty and deep connection to water, Singapore provides an ideal setting for aquatic sports, with pristine seas, sandy beaches, and world-class facilities.

The world's finest swimmers, divers, water polo players, artistic swimmers, open water swimmers, and high divers will converge here, setting the stage for extraordinary performances and historic achievements.

Singapore's passion for elite aquatics was on full display as recently as last year during the 2024 World Aquatics Swimming World Cup final. With close cooperation between the Singapore Swimming Association and Sport Singapore, we are set to deliver one of the all-time great World Aquatics Championships.

With a distinguished history of hosting 27 successful World Aquatics events in swimming, diving, water polo, artistic swimming, and open water swimming, Singapore has proven itself an exceptional host.

Following the captivating World Aquatics Championships in Doha and the Paris Olympic Games, interest and performance levels in aquatic sports have reached unprecedented heights. I am confident that passionate crowds will gather to cheer on more than 2,500 world-class athletes from over 200 countries competing across six sports in Singapore.

I want to sincerely thank our partners, staff, officials, and volunteers for their hard work and dedication in making this event possible. I have no doubt these World Aquatics Championships will be remembered for many years.

I invite you to join me in celebrating the incredible athletic performances and to take time to enjoy Singapore's vibrant culture and renowned hospitality.

To the athletes, we extend our best wishes for success in your competitions. Rest assured, we will be cheering you on from the stands and striving to provide the world-class conditions your dedication and talent deserve.
