1.5.3 Ranking Points

Example:

If Diver A finishes 11th in the preliminaries, they receive 21 points. After advancing to the final and finishing 8th, they earn an additional 24 points, bringing their total to 45 ranking points.

1.5.3.2 For Synchronised and Mixed Team Events, ranking points are awarded based on the Final results.

1.5.3.3 No ranking points will be awarded for any phase from which a diver (or a team) withdraws, as all dives must be completed to qualify for ranking points. If a diver withdraws in the final of an individual event, they will keep the ranking points earned from the preliminary phase.
