PRESIDENT'S MESSAGE

World Aquatics Diving World Cup 2026

Dear friends,

It is my great pleasure to welcome you to the 2026 edition of the World Aquatics Diving World Cup. This year's series will be hosted across three cities with proud aquatic traditions, each offering a distinctive setting for the world's best divers to showcase their talent on the global stage.

Once again, the world's diving elite return to Montreal, Canada, to open the 2026 Diving World Cup from 26 February to 1 March. A renowned host of major sporting events – including the 1976 Olympics and 2005 World Aquatics Championships – Montreal has a rich diving history, having hosted 14 World Aquatics Diving World Cup and Grand Prix events, as well as the 2022 World Junior Diving Championships. The historic Montreal Olympic pool - a hub for both community and elite sport for over 50 years - will once again be the competition venue.

From Montreal, the Diving World Cup moves to Guadalajara, Mexico, from 5–8 March 2026, marking the second consecutive year the city hosts the event. With Olympic diving medals in every Summer Games since 1932, Mexico has long been a cornerstone of the sport. The Centre Acuático Code Metropolitano – home to many of the country's top athletes – will provide a fitting backdrop for a memorable competition.

Following Guadalajara, the Diving World Cup concludes in Beijing, China, with the Super Final from 1–3 May 2026. The iconic Water Cube, officially the National Aquatics Centre, will host the world's top divers. Steeped in Olympic history, including the 2008 Games, Beijing has also staged 11 World Aquatics Diving World Cups. With its passionate fans and strong commitment to elite aquatics, the city provides a fitting finale for the 2026 tour.

With the build-up to the 2027 World Aquatics Championships and the LA28 Olympic Games in sight – not to mention Beijing hosting the World Aquatics Championships in 2029- this year's Diving World Cup series serves as a vital stage in the athlete's journey towards one of the most action-packed and crucial periods in the sport's history.

I want to extend my sincere gratitude to our host cities, local organisers, volunteers, and everyone working behind the scenes to bring these events to life – your efforts are extremely valued and appreciated.

To all the divers, I wish you the very best. Enjoy the competition, have pride and embrace this important moment in your career!

A handwritten signature in black ink, appearing to read 'Husain Al-Musallam'. The signature is stylized with a long horizontal stroke and several smaller strokes above and below it.

Husain Al-Musallam
World Aquatics President

04 TRAVEL INFORMATION

AIRPORT

All arrivals and departures must be done to and from [Montreal-Trudeau International Airport \(YUL\)](#). The LOC will have an information booth in the international terminal. Please see Diving Canada's staff at the desk when arriving in Montréal.

SUBMIT ASAP VIA EMAIL to events@diving.ca.

VISA and eTA PROCESS

Citizens of most countries and territories need a VISA or an eTA to visit or transit Canada. We invite you to get in touch with us as soon as possible and to check the website below to know if you need an e-TA.

Find out if you need a visa to travel to Canada

Find out if you need an Electronic Travel Authorization (eTA) or a visitor visa

 cic.gc.ca / Apr 25

*****YOU WILL FIND DETAILED INFORMATION ON HOW TO PROPERLY APPLY FOR A VISA AND THE PROCESSING TIMES [HERE](#).*****

Note. If you hold a passport other than Canadian or you are stateless, you need a visa to visit or transit in Canada. Canada has introduced a requirement for countries that previously did not require a visa to enter Canada. An Electronic Travel Authorization (eTA) is an entry requirement for visa-exempt foreign nationals travelling to Canada by air. An eTA is electronically linked to a traveller's passport. It is valid for up to five years or until the passport expires, whichever comes first.

Upon request sent to events@diving.ca, the LOC will provide visa assistance by issuing an invitation letter.

Please note that in the current context, we expect that issuing visas will take much longer than in the past and we urge you to begin this process as early as possible to avoid possible travel problems due to delays.

US Account No.:	50476-0087718
Routing/Institution #:	002

12 MEDICAL SERVICES

On-site medical services will be available to all participants from Tuesday February 23rd to Sunday March 1st. In case of an emergency, the EMS will decide which hospital the patient will be transferred to depending on the type of injury or illness.

More information will be provided in the final information bulletin.

13 DOPING CONTROL

Urine and blood samples will be collected during the DWC Montréal 2026 for the purpose of doping controls. The doping controls will be done in accordance with the World Aquatics Doping Control Rules and the World Anti-Doping International Standards, which can be consulted [HERE](#). The operations will be supervised and coordinated by the International Testing Agency (ITA).

The list of prohibited substances can be consulted [HERE](#). For reminder, all athletes are strictly responsible for any prohibited substance found in their sample and it is particularly important for them to check any medication they take against the prohibited list. Additionally, all athlete support personnel are responsible to be knowledgeable about anti-doping regulations and procedures.

Each registered individual (athletes, supporting staff, NF rep, etc...) must complete a mandatory Anti-Doping education course prior to the event. Click [HERE](#) for the detailed information regarding the course.
