Hosted by

DIVING
AUSTRALIA

Gold Coast Aquatic Centre, Marine Parade, Southport, Queensland, Australia 4215

Introduction

Diving Australia are pleased to announce the re-emergence of the historical Southern Cross Diving International. This event will be held in Gold Coast, Australia from the 9th - 15th February 2026.

The Southern Cross Diving International will be held at the site of the 2018 Commonwealth Games, the Gold Coast Aquatic Centre. This fantastic outdoor venue on the sunny Queensland coast, will serve as a great test or introduction for any athletes aiming towards LA28, and an exciting opportunity for all competitors to experience something different than the traditional indoor event.

Diving Australia would be delighted to host your teams, offering travelling members the very best experience of Australia, in a wonderful part of our country.

Federations from all around the world are invited to attend and enjoy our excellent facilities and dryland. A full range of Olympic events will be contested on 3m springboards and 10m platform. A team event will also be hosted. World Aquatics Diving Rules will apply for all events.

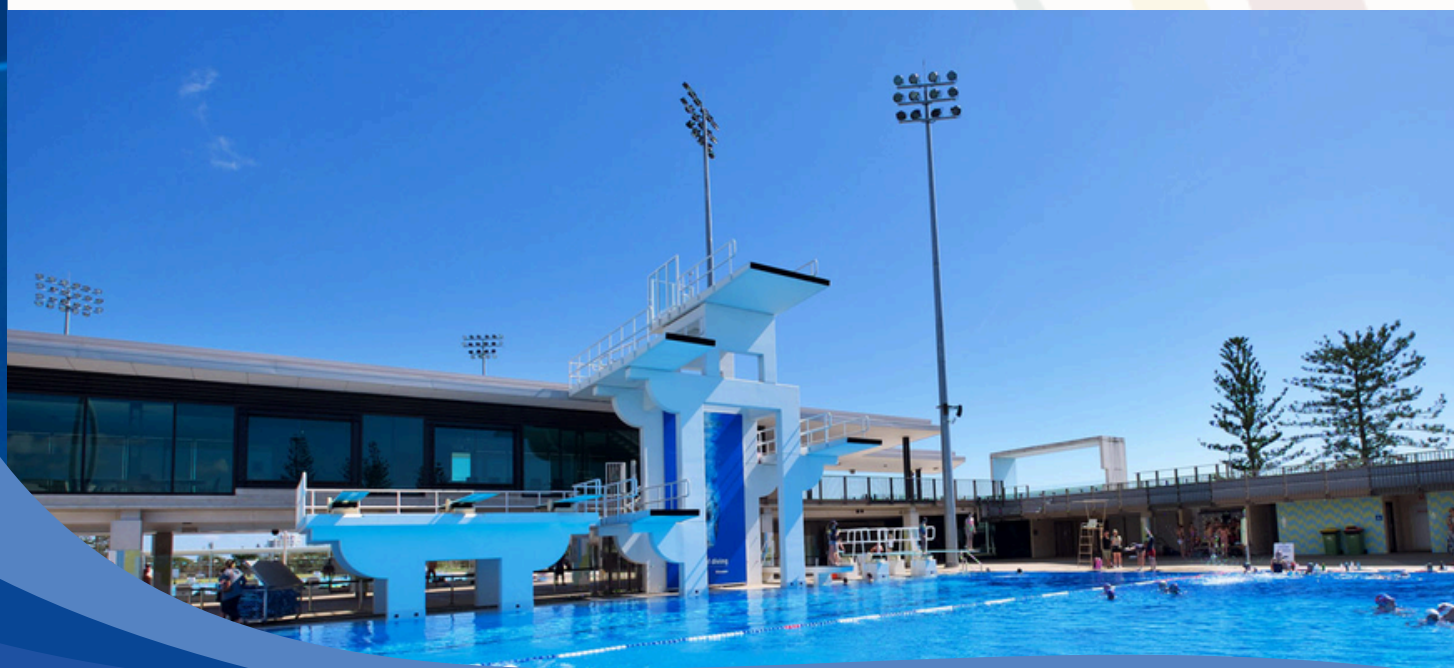

About the Gold Coast

The Gold Coast, located in Queensland, Australia, is renowned for its stunning beaches, world-class attractions, and vibrant atmosphere.

As a premier holiday destination, it boasts over 70 kilometers of pristine coastline, popular theme parks, high-end shopping, and diverse dining experiences, making it a favorite for families and adventure seekers alike.

Beyond its appeal as a tourist hotspot, the Gold Coast is the perfect setting for a diving event. Its combination of sun, sea, and top-notch facilities, including world-class sporting venues, provides the ideal environment for athletes to perform at their best. With its warm climate and lively atmosphere, both competitors and spectators can enjoy thrilling diving performances, as well as the city's iconic beaches and local attractions. The Gold Coast's unique blend of sport, entertainment, and natural beauty makes it an unforgettable location for any diving competition.

Please note, all information in this booklet is subject to change and will be confirmed closer to cutoff and competition dates

Travel information

AIRPORT TRANSFERS

All arrivals and departures must be done to and from Gold Coast airport (OOL) or Nerang train station (you can catch the airtrain from Brisbane airport to Nerang Station). Diving Australia volunteers will meet you at the airport or train station with your transport plans to the Hotel.

VISA AND ETA PROCESS

When entering Australia, all travellers are required to carry a valid passport and, in most cases, a visa or an Electronic Travel Authority (ETA), depending on their nationality. If you need an invitation letter for your visa application, please reach out to the event manager for assistance.

As part of the entry process, every traveller must also complete an Incoming Passenger Card (IPC), which is provided during your flight or by the Australian Border Force upon arrival. This card collects important details such as your personal information, flight details, and customs declarations. Properly completing this card is essential, as it helps Australian authorities mitigate various risks to the country and ensures compliance with the country's strict biosecurity and immigration laws.

POOL TRANSFERS

Diving Australia will provide transport for all athletes, coaches and accompanying persons having booked the official event hotel with the LOC.

GETTING AROUND THE GOLD COAST

Getting around the Gold Coast is easy, with a variety of convenient transport options. The G light rail system runs along the coast, connecting key locations from Helensvale to Broadbeach, including Surfers Paradise. Buses are frequent and serve most areas, while taxis and rideshare services like Uber are readily available. For those who prefer flexibility, car rentals are popular, allowing easy access to both the beaches and hinterland. Cycling is also a great option, with scenic bike paths stretching along the coastline.
