World Aquatics President's Message

Dear Friends,

Welcome to the ninth season of the World Aquatics Artistic Swimming World Cup!

This year, we are thrilled to see a truly global five-city competition tour across four continents, offering a stage for extraordinary performances.

The Artistic Swimming World Cup 2026 series opens with the landmark debut in Medellín, Colombia, marking the country's first time hosting a World Cup event. Having this event come to Medellín is truly special and shows just how far artistic swimming has come, both in Colombia and across Latin America.

From Medellín, the World Cup heads to Paris. A city still celebrating the triumphant Olympic Games in 2024, the French capital welcomes the Artistic Swimming World Cup for the third consecutive year, marking the 10th time the event has taken place in France.

Following Paris, the World Cup heads back to Xi'an, host of last year's Super Final. Artistic swimming continues to grow in China, and Xi'an hosting the World Cup reflects China's rise in the sport, both from elite sports and community appreciation perspectives.

After Xi'an, the Artistic Swimming World Cup moves to the northwestern Spanish city of Pontevedra for the fourth stop of the 2026 tour. With artistic swimming a popular spectator sport in Spain and the national team boasting exceptional talent, Pontevedra promises to be a must-see event in 2026.

From Pontevedra, the World Cup makes its final stop in Toronto, Canada, for the Super Final. With the event taking place at the Toronto Pan Am Sports Centre, a premier facility with multiple Olympic-sized pools built for the 2015 Pan Am Games, it makes for a fitting end to the 2026 global tour. I look forward to seeing athletes and fans enjoy a brilliant few days in the city.

As ever, all of this is only possible through the hard work and dedication of our Local Organising Committees, local authorities, volunteers, and the international media. Your support ensures that artistic swimming and our global community continue to strengthen. Thank you for your invaluable contributions.

Best wishes to all athletes, coaches, and teams—may this event inspire and elevate artistic swimming to new heights as we are once again 'United by Water!'

French Swimming Federation President's Message

The French Swimming Federation is honored to host the Artistic Swimming World Cup, which will take place in Paris from March 27th to 29th, 2026.

We are both proud and delighted to organize this prestigious event, and we sincerely thank World Aquatics for the trust and privilege of bringing this competition to France.

This exceptional gathering will take place in the iconic Georges Vallerey Pool, in the 20th district of Paris. The Local Organizing Committee is fully committed to providing the highest standards of service and creating the best possible conditions for all participants.

Together with the Organizing Committee and the entire artistic swimming community in France, I look forward to welcoming athletes, coaches, and officials from around the world.

May this competition offer you an unforgettable experience and a wonderful stay in France.

With my very best wishes,

Gilles Sezionale
French Swimming Federation President

Doping Control

Urine samples will be collected during the ASWC Paris 2026 for the purpose of doping controls. The doping controls will be done in accordance with the World Aquatics.

Doping Control Rules and the World Anti-Doping International Standards, which can be consulted [HERE](#).

The operations will be supervised and coordinated by the International Testing Agency (ITA). The list of prohibited substances can be consulted [HERE](#). For reminder, all athletes are strictly responsible for any prohibited substance found in their sample and it is particularly important for them to check any medication they take against the prohibited list. Additionally, all athlete support personnel are responsible to be knowledgeable about anti-doping regulations and procedures.

Each registered individual (athletes, supporting staff, NF rep, etc...) must complete a mandatory Anti-Doping education course prior to the event. Click [HERE](#) for the detailed information regarding the course.
