1. PRESIDENT'S MESSAGE

Dear friends,

On behalf of the entire World Aquatics family, I invite you to experience the thrilling competition of the World Aquatics Open Water Swimming World Cup 2026 series.

This year, the world's premier open water swimmers will compete across spectacular venues: Somabay, Egypt (27-28 March); Ibiza, Spain (24-25 April); Golfo Aranci (1-2 May); and Setubal, Portugal (20-21 June).

The crystal-clear waters of Somabay, Egypt, have become a top destination for elite open water racers. Following standout editions in 2023 and 2024 as part of the Egypt Aquatics Festival and last year's Open Water Swimming World Cup opener, this stunning Red Sea setting launches the 2026 season.

The second stop brings us to Ibiza, where athletes will race in the pure waters of the Mediterranean Sea. Spain has staged an impressive 51 World Aquatics events, and this marks Ibiza's second consecutive time hosting the sport's elite competitors.

From Ibiza, the tour moves to Golfo Aranci, Italy, a distinguished destination for open water swimming – a Sardinian seaside village that most recently held the sport's 2025 World Cup Final.

Renowned for staging key events such as the Olympic Marathon Swim Qualifiers in 2012 and 2016, and the Open Water Swimming World Cup for the past three years, Setubal's open ocean waters offer a familiar and rigorous stage for this year's World Cup Final.

With dedicated support from organising committees, local authorities, officials, and volunteers, you are in safe hands in these great cities.

I offer my heartfelt gratitude to the host cities and sponsors for their steadfast trust and commitment to making 2026 a remarkable year for open water swimming. To all athletes, I wish you success throughout this eagerly awaited racing series.

Captain Husain Al Musallam

World Aquatics President

2. MESSAGE FROM THE LOCAL AUTHORITIES

WELCOME

It is with renewed pride that Setúbal welcomes again the best swimmers on the planet for another stage of the World Aquatics Open Water Swimming World Series.

The River Sado, framed by the unique landscape of the Arrábida Mountains, is once again the venue for a competition that over the years has become an international benchmark in sport. Setúbal was also the venue for the qualifying events for 2012, 2016 and 2020 Olympic Games, reinforcing the idea that the investment and effort made in promoting the municipality and its potential in the field of aquatics sports have produced consistent results.

This year, Setúbal World Cup takes on special significance, as it is here that the circuit reaches its decisive moment. The winners of the 2026 World Cup will be announced in Sado waters, ending a season of intense competition.

To all the athletes, coaches, managers and delegations who join us, we wish an excellent competition and we hope that Setúbal continues to be an excellent location for sport, achievement and excellence in open water swimming.

Maria das Dores Meira

Mayor of Setúbal

3. MESSAGE FROM THE HOST MEMBER FEDERATION

Dear Friends,

The Portuguese Swimming Federation has the honor to organize, once more, in partnership with Setúbal Municipality, in the beautiful Albarquel Urban Park, the Open Water World Cup, in the stage of three Olympic Qualifying Events, and as the aquatic's world recognizes it, one of the most challenging stages that really shows the true spirit of the discipline.

Since 2006 Portugal and the city of Setúbal receive the best world swimmers of the Olympic Marathon that face a 10km Open Water course in the ending of Sado river embraced by the Sado's and Serra da Arrábida's natural reserve, in an astonishing landscape and a rich local culture.

Knowing that the sport needs to reinvent itself as competition model and that World Aquatics (AQUA) is developing, together with the LOC's, new references that adjust the model in order to gather the swimmer's interests and the organizational costs, and that set the discipline as major interest to all great swimmers in medium and long distance as they do in the pool.

Also together with this competition, we will have the challenge of a promotional event that contribute for the development of a discipline that in Portugal gathers leisure, physical activity, competition and health, all together with beautiful sightseeing's and the Portuguese gastronomy.

A deep welcome to all wishing that the success of this organization be also yours and the fulfilment of your goals.

Best of luck to you all!

Miguel Arrobas

Portuguese Swimming Federation President

4. INTRODUCTION

This Venue is one of the most iconic in the World Aquatics Open Water Swimming World Cup, generation after generation, Setúbal stays as a challenging race. Continuously since 2006, it was a stage for all the World Top OW Swimmers, and stage for 3 Olympic Qualifiers.

The following information has been prepared in order to assist your National Federation on your attendance to the competition.

20. ANTI-DOPING

Urine and blood samples will be collected during the competition for the purpose of doping controls. The doping controls will be done in accordance with the World Aquatics Doping Control Rules and the World Anti-Doping International Standards, which can be consulted [here](#). The operations will be supervised and coordinated by the International Testing Agency (ITA).

The list of prohibited substances can be consulted [here](#). For reminder, all athletes are strictly responsible for any prohibited substance found in their sample and it is particularly important for them to check any medication they take against the prohibited list. Additionally, all athlete support personnel are responsible to be knowledgeable about anti-doping regulations and procedures.

Mandatory Anti-Doping education course prior to participation:

Athlete

As per the World Aquatics Doping Control Rules, any athlete participating in World Aquatics Events must, prior to participation, have successfully completed the eLearning Anti-Doping Education course "[International-Level Athletes Education Program](#)" or a course developed by their respective NADO and recognised by the AQIU (Aquatics Integrity Unit).* Any athlete who has not met this requirement will not be eligible to compete and thus will not have their accreditation activated.

Team Official: Coach, Head Coach, Chef de Mission, Team Leader, or Support Staff

As per the World Aquatics Doping Control Rules, anyone registered as a team official—including coach, head coach, chef de mission, team leader, support staff—for World Aquatics Events must, prior to participation, have successfully completed the eLearning Anti-Doping Education course "[Coaches of High Performance Education Program](#)" or a course developed by their respective NADO and recognised by the AQIU (Aquatics Integrity Unit).* Anyone who has not met this requirement will not be eligible to participate and thus will not have their accreditation activated.

Team Official: Doctor, Medical Professional, Massage Therapist, or Physiotherapist

As per the World Aquatics Doping Control Rules, anyone registered as a team official—including doctor, medical professional, massage therapist, physiotherapist—for World Aquatics Events must, prior to participation, have successfully completed the eLearning Anti-Doping Education course “[ADEL for Medical Professional's Education Program](#)” or a course developed by their respective NADO and recognised by the AQIU (Aquatics Integrity Unit).* Anyone who has not met this requirement will not be eligible to participate and thus will not have their accreditation activated.

*** AQIU (Aquatics Integrity Unit) Recognised NADO Education Programs**

Please refer to the list of anti-doping education programs from National Anti-Doping Organisations (NADOs) whose certifications are recognised by the AQIU [here](#). These certifications will be accepted as fulfilling the mandatory anti-doping education requirements for all World Aquatics competitions.

Steps to Complete the ADEL Certification

Please follow these instructions in order to complete the ADEL course:

Step 1:

Access the eLearning course webpage [here](#).

Step 2:

Click on “Register here” and follow the steps to register an account.

Step 3:

Sign in to the new account just created.

Step 4:

Based on the category, select the course “**International-Level Athletes Education Program**”, “**Coaches of High-Performance Education Program**” or “**ADEL for Medical Professional's Education Program**” and complete the course to obtain at least 80% at the final exam at the end of the course. You can do the course again if you do not achieve 80% the first time. The athletes' course is available in twenty-three languages, the coaches' course in seventeen languages, and the medical professionals' course is offered in three languages. Each course takes up to 2-3 hours to complete. The courses can also be accessed through the “**ADEL by WADA**” mobile application.

Step 5:

Once the course has been successfully completed, download the certificate of completion, and send it to your World Aquatics Member. The ADEL guidelines to download the certificate can be found [here](#). In case of any queries that may arise regarding downloading the certificate, you may also reach out to ADEL Helpdesk at [here](#).

Step 6:

The World Aquatics Member must upload the certificate of completion of each athlete on their respective GMS profile [here](#) (in the Sport tab).

The screenshot shows the 'Sport' tab of a GMS profile with the following sections:

- Scoreboard Photo:** A placeholder image with text: "SCOREBOARD PHOTO 512 X 512px, 72dpi Send to: gms@worldaquatics.com". Below it is a link: "World Aquatics scoreboard photo requirements".
- Club:** A text input field.
- Club Country:** A dropdown menu with "Select Country" and a downward arrow.
- Coach:** A text input field.
- Biography:** A large text area for entering biographical information.
- Biography ID:** A text input field.
- National Federation ID:** A text input field.
- Anti-Doping Education Certificate (ADEL):** A large placeholder area with text: "Certificate image or PDF" and a "Choose..." button at the bottom.

Note: In order to avoid any issues, Members should not wait until their teams are finalised to inform their athletes and team officials about this requirement. Rather, they should ask all athletes and team officials who could potentially participate in the event to complete the course immediately.

Athletes and team officials are encouraged to renew their certifications every four years to stay up to date with the latest anti-doping regulations and procedures.

For any questions regarding this requirement, please contact info@aquaticsintegrity.com
