PRESIDENT'S MESSAGE

Dear friends,

It gives me great pleasure to welcome you to the World Aquatics High Diving events of 2026, bringing together both the sport's premier annual competition, the High Diving World Cup, and the second edition of the World Aquatics Junior High Diving Championships.

Following the success of our first Junior Championships in Brasília, we are proud to see this competition continue to grow. It reflects the strength and depth of young talent emerging through our pathways, as well as the dedication of coaches, clubs and Member Federations worldwide in developing the next generation of high divers. Alongside this, the High Diving World Cup continues to showcase the extraordinary talent and fearless determination of the world's elite athletes.

This year, we are privileged to stage these events in Fort Lauderdale, USA. The city will host the Junior High Diving Championships from 16–17 May, as well as a leg of the High Diving World Cup from 15–16 May. Athletes at the Junior Championships will compete from 15 metres—an achievement that demands not only technical skill but also remarkable courage and composure at such a young age. These Championships offer a valuable opportunity for young athletes to test themselves on the international stage, gain experience, and most importantly, enjoy the sport while inspiring others to get involved in aquatics.

Fort Lauderdale, long associated with aquatic excellence and home to the International Swimming Hall of Fame, provides a fitting stage. With the recent renovation of the Fort Lauderdale Aquatic Center—now featuring one of the world's highest permanent high diving platforms—the city offers a truly world-class setting. World Aquatics is delighted that this will be the first High Diving World Cup held here as part of our multi-year agreement with the organisers, a partnership that also strengthens the pathway between junior and elite competition.

Together, these events highlight both the proud heritage and the exciting future of high diving, while reinforcing World Aquatics' commitment to expanding opportunities for athletes, increasing the sport's global visibility, and inspiring new generations.

On behalf of World Aquatics, I extend my sincere gratitude to the Local Organising Committees, local authorities, officials and dedicated volunteers whose hard work and commitment make these events possible.

A handwritten signature in black ink, appearing to read 'Husain Al Musallam'. The signature is fluid and stylized, with a long horizontal stroke extending to the right.

Husain Al Musallam

World Aquatics President

MESSAGE FROM THE LOCAL ORGANISING COMMITTEE

I am excited to welcome High Divers, coaches, officials, partners, and fans from around the world to Fort Lauderdale for the World Aquatics High Diving World Cup and World Aquatics Junior High Diving Championships.

It is a true honor for USA Diving to host this prestigious international event in collaboration with World Aquatics, and I am especially proud that Fort Lauderdale has secured a three-year agreement to welcome the World Aquatics High Diving World Cup from 2026 through 2028 as well as two simultaneous World Aquatics Junior High Diving Championships in 2026 and 2028. This long-term partnership reflects our commitment to international collaboration and delivering unforgettable experiences for athletes and spectators alike.

Our iconic high diving venue provides a spectacular stage for the world's best divers to compete at the highest level. Fort Lauderdale has a rich aquatic sports legacy, and we are thrilled to continue that tradition by welcoming the global high diving community to South Florida.

On behalf of our entire host community, I extend a warm and friendly invitation to national federations and teams from across the world to join us. We look forward to celebrating excellence in sport, building new connections, and creating lasting memories together.

We cannot wait to welcome you to Fort Lauderdale and to see you in South Florida for an incredible World Aquatics High Diving World Cup and Junior World Championships experience.

Lee Michaud

USA Diving CEO

GENERAL INFORMATION

USA Diving and World Aquatics are delighted to invite you to the World Aquatics High Diving World Cup 2026 combined with the World Aquatics Junior High Diving Championships 2026, at the Fort Lauderdale Aquatic Center in Fort Lauderdale.

We are looking forward to hosting you in South Florida at one of the most iconic aquatic venues in the United States. The Fort Lauderdale Aquatic Center provides a world-class stage for high diving and an unforgettable environment for athletes, teams, and spectators from around the globe.

On behalf of USA Diving, we look forward to welcoming your federation and athletes to share an outstanding experience in Fort Lauderdale.

HOST

USA Diving

Technical High Diving Committee Chair	Orlando Duque
Technical High Diving Committee Vice-Chair	Mitch Geller
Technical High Diving Committee Secretary	Wes Zimmerman
Technical High Diving Committee Members	Hassan Mouti
	Adriana Jimenez
	Ginger Huber
	Anke Piper (Referee)
	Julian Llinas (Referee)

WELCOME AND ACCREDITATION

Accreditation will be available at the Fort Lauderdale Aquatic Center beginning at 9AM on May 13 at the Fort Lauderdale Aquatic Center.

HIGH DIVING RULES & REGULATIONS

HIGH DIVING WORLD CUP

The World Aquatics High Diving World Cup 2026 will be conducted under AQUA High Diving Competition Regulations, accessible [HERE](#).

The World Aquatics High Diving World Cup 2026 will contest one Men's 27-Meter event and one Women's 20-Meter event. Please refer to the additional rules and regulations [HERE](#) for further information on each of the events.

JUNIOR HIGH DIVING CHAMPIONSHIPS

The World Aquatics Junior High Diving Championship 2026 will be conducted under the World Aquatics Competition Regulations, accessible [HERE](#). **Please note that both Group A and Group B will compete at 15-meter.**

Click [HERE](#) to see the additional rules and regulations specifically for the Junior High Diving Championships 2026.

ELECTRONIC DIVE SHEETS

The Water Sports Manager platform will be used to submit online dive sheets. Only one person per Federation will get credentials to submit dive sheets electronically on the Dive Sheets Manager.

World Aquatics staff will reach out to each Federation to obtain the contact responsible for the dive sheets. The designated person will receive an email from no-reply@stsoftware.com to log in on the website. They will then have the view of each event to enter their dive sheets. They will only see divers from their own National Federation entered in each event.

The statement of dives must be submitted no later than twenty-four hours (24) hours before the start of the event (being the start time of the first stage of that event).

All dives shall be completed and submitted, after which the owner will get a confirmation email with the dive list.

May-16	Lunch	12:30-14:30
May-16	Dinner	18:00-20:00
May-17	Breakfast	6:30-8:30
May-17	Lunch	13:00-15:00
May-17	Dinner	18:00-20:00
May-18	Breakfast	7:00-9:00

TRANSPORTATION

Free transportation to and from Fort Lauderdale International Airport (FLL) will be provided upon arrival and for departure to athletes, coaches, and team staff who have booked their accommodations through the LOC with the official host hotel. Additionally, World Aquatics officials will also have a free pick up from Miami International Airport (MIA).

Transportation between the pool and hotel will not be provided, as the facility is within walking distance from the host hotel.

Please be sure to enter ACCURATE travel information in the AQUA GMS by the prescribed deadline. USA Diving will arrange transportation according to the flight details entered in the system.

If you choose to fly to any other airport, you will be responsible for arranging and covering your own transfers.

MEDICAL SERVICES

On-site medical services will be available to all participants from 13 May through 17 May 2026. Safety divers will always be present at practices and competitions. In case of an emergency, EMS will send patients to a nearby hospital depending on the injury or illness. USA Diving will provide a doctor on site, and the nearest hospital is the Broward Health Medical Center which is a Level 1 trauma center.

DOPING CONTROL

Doping Control Rules and the World Anti-Doping International Standards, which can be consulted [HERE](#). The operations will be supervised and coordinated by the International Testing Agency (ITA). The list of prohibited substances can be consulted [HERE](#). For reminder, all athletes are strictly responsible for any prohibited substance found in their sample and it is particularly important for them to check any medication they take against the prohibited list. Additionally, all athlete support personnel are responsible to be knowledgeable about anti-doping regulations and procedures.

COMMUNICATION

All communication will be done through the event insider app. Please make sure to enable your notifications.
