

HIGH DIVING QUALIFICATION UPDATE

World Aquatics Championships – Budapest 2027

With the recent announcement of the World Aquatics High Diving World Cup (HDWC) stops in 2027, please find below the revised qualification process for the World Aquatics Championships Budapest 2027.

Qualifying Events

The World Aquatics Championships Budapest 2027 will be open to any high diver who has competed in:

- At least one HDWC event between Fort Lauderdale 2026, Porto Flavia 2026 and Zhaoqing 2026, and
- At least one HDWC event between Fort Lauderdale 2027 and Porto Flavia 2027.

A minimum points standard is being introduced to ensure athletes meet the required competitive level for participation. This standard must be achieved at at least one designated World Cup event. Please refer to Appendix 1 for the detailed points standards.

Format

The High Diving competition at the World Aquatics Championships Budapest 2027 will follow this format:

- Day 1: Women & Men – Dives 1 & 2
- Day 2: Women & Men – Dives 3 & 4
- Day 3: Rest day
- Day 4: Women's & Men's finals – Dives 5 & 6

World Aquatics reserves the right to invite additional high divers as needed to ensure a full and competitive field in the event of unforeseen circumstances. Factors such as participation in other World Aquatics events, injury, pregnancy, or any other condition that may limit an athlete's ability to compete will be taken into consideration.

Should you have any questions, please do not hesitate to contact us.
